

Use your math to complete the Number Picture Puzzles

$$\text{Rose} + \text{Rose} = 10$$

$$\text{Football} + \text{Football} = 8$$

$$\text{House} + \text{House} = 6$$

$$\text{Rose} + \text{Football} + \text{House} = \underline{\quad} ?$$

What is the answer after the equation above?

=====

$$\text{Whale} + \text{Whale} + \text{Whale} = 6$$

$$\text{Train} + \text{Train} + \text{Train} = 12$$

$$\text{Peter Pan} + \text{Peter Pan} + \text{Peter Pan} = 3$$

$$\text{Whale} + \text{Train} - \text{Peter Pan} = \underline{\quad} ?$$

What is the answer after the equation above?
