The Picnic

One day my mom, my brother Earl and I decided to have a picnic in the park. Before leaving the house we had to pack the basket. We made peanut butter and jelly sandwiches, packed some watermelon and juice. My mom put a blanket and some supplies in the basket, so our food wouldn't get ants in it. We arrived at the park we had so much fun playing on the jungle gym. Until Earl fell off and hurt his knees. He was in a lot of pain, but suddenly my mom came over with her first aid kit. Luckily she brings that everywhere.
