

THE SCAVENGER HUNT

De'Andre wanted to go outside, but it was raining. He didn't know what to do, he was bored. So, his mom suggested a scavenger hunt for the house.

What's a scavenger hunt, he asked. It's a game where you have to find things that are on a list. Well what do I find first? The first thing to find is 1 big book with a lot of pictures. Then find 2 mugs and a movie. After that you have to find 2 oranges and 2 bananas. When you have found all of these items bring them into the living room. And last you have to find a blanket while I get the milk and turn on the TV. What is all of this for mom

De'Andre asked? Since it was raining I decided to keep you company. So, first we're going to look at the pictures in the book and then we are going to watch the movie you found and snuggle under the blanket, while we eat our snacks.
