

1. Pick up the green pen and trace around the dotted lines.

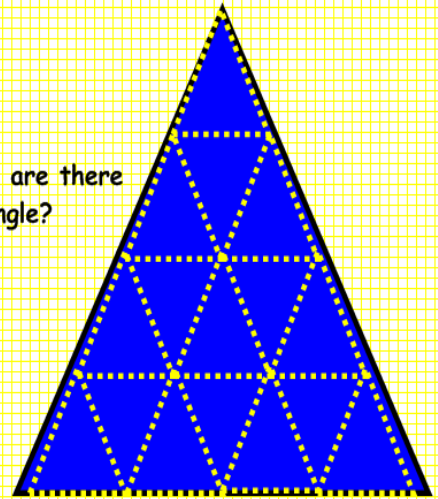

- How many shapes are in the container? \_\_\_\_\_
- Circle the shapes that you see inside of the container.  
 Triangle    Rectangle    Star  
 Circle      Square

[Extend Page](#)

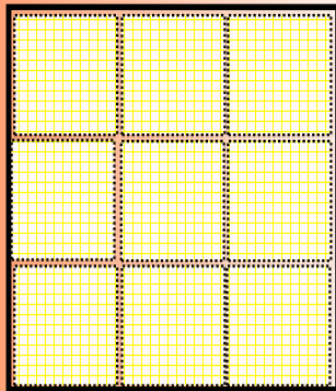

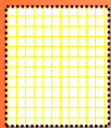

2. Please pick up a red pen and draw lines for each triangle

How many triangles are there in this one big triangle?

\_\_\_\_\_

3. Pick up a black pen and draw in the dotted lines you see for each square. How many squares did it take to fill up the large square?

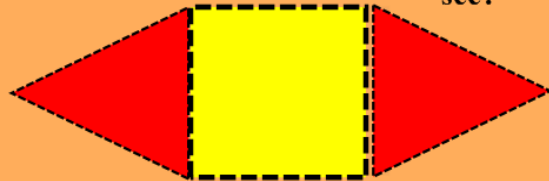

\_\_\_\_\_  
 .....  
 \_\_\_\_\_

[Extend Page](#)

4. Pick up a blue pen and draw around the dotted lines so that you now have three shapes connected.

How many shapes do you see?

\_\_\_\_\_  
 .....
